

# Hurricane Preparedness

## Evacuation Order

Upon receiving an evacuation order from local officials, all citizens should be familiar with the Hurricane Evacuation Route(s) in their area. Be sure to look for, and follow, road signs indicating such designated routes like the example to the right.

### Evacuation Route(s): Mangonia Park

Residents living north of the SCX Railroad are encouraged to use Australian Avenue north to Blue Heron Blvd, then west to I-95 north. Residents living south of the SCX Railroad are to use 45th Street west to I-95 north.
