

Our Town Council consists of a five-member board elected to "at large" seats by the community, and Town Council members serve staggered three-year terms with no term limits. Municipal elections are generally held on the 2nd Tuesday of March each year.

Our Town Council is responsible for formulating policies, enacting or repealing ordinances, setting tax rates, approving the annual budget, and appointing board members to the Board of Adjustment, as well as appointing and/or contracting a "Special Magistrate" for Code Enforcement violation hearings.

Meetings

Town Council Meetings are generally held at our Town Hall every 1st and 3rd Tuesday of each month, beginning at 6:00 PM.

Meet With a Council Member

Individual Town Council members are available for "one-on-one" meetings and/or visits with the general public by appointment and/or walk-in (if available and on-site). To schedule a meeting with any of our Town Council members, contact the Town Administration office at (561) 848-1235. Once an appointment date and time has been scheduled and confirmed, visitors will be received at the Mangonia Park Municipal Center in the Town Council office, Suite #102, or at a location that is mutually acceptable to all parties involved.
